

# Raw Materials & Consumables Portfolio

**Connecting  
A Better World.**

# Connecting A Better World.

At Topcast, we pride ourselves as one-stop-shop for spare parts, components, raw materials and consumables sourcing service provider with our extensive network of business partners, global sourcing team and decades of experience servicing a vast and diverse customer base. With our strong global network, we have 22 offices and 4 warehouses across Asia-Pacific, Americas, Europe, and the Middle East connecting vast network of principals / business partners with customers in all segments for over 90 countries.

## **ADDRESS LONG TAIL SUPPLY CHALLENGES THROUGH SOURCING SERVICE**

Addressing customers' pain points and requirements on hard-to-find items through proactively Sourcing Services is part of Topcast's service-oriented DNA leveraging our experienced staff, extensive network of business partners/principals and strong product technical insight.

## **REDUCE TURNAROUND TIME THROUGH STRATEGIC STOCKING**

Through big data analyses, artificial intelligent enhanced forecast capabilities and customer/market insights identify "value adding" parts to stock (e.g., long lead time, unreliable supply base, large minimum-order-quantity, shelf-life challenges).

## **MINIMIZE OPERATIONAL COST ACTING AS ONE-STOP-SHOP**

Complement extensive exclusive Product Lines offerings with Sourcing Service and Strategic Stocking to become an one-stop-shop for both customers and our business partners.
