Our Edge

At Topcast, we pride ourselves as one-stop-shop for spare parts, components, raw materials and consumables sourcing service provider with our extensive network of business partners, global sourcing team and decades of experience servicing a vast and diverse customer base. Our strong global network, with sales presence in 22 locations across Asia-Pacific, UK, Americas, Europe, and the Middle East connecting vast network of principals / business partners with customers in all segments for over 90 countries.

Address long tail supply challenges through sourcing service

Addressing customers' pain points and requirements on hard-to-find items through proactively Sourcing Services is part of Topcast's service-oriented DNA leveraging our experienced staff, extensive network of business partners/principals and strong product technical insight.

Reduce turnaround time through strategic stocking

Through big data analyses, artificial intelligent enhanced forecast capabilities and customer/market insights identify "value adding" parts to stock (e.g., long lead time, unreliable supply base, large minimum - order - quantity, shelf - life challenges).

Minimize operational cost acting as one-stop-shop

Complement extensive exclusive Product Lines offerings with Sourcing Service and Strategic Stocking to become an one-stop-shop for both customers and our business partners.
