

CORPORATE BROCHURE

Connecting
A Better **World.**

Our Mission

WE ARE GLOBAL CONNECTORS

As a global supplier of parts, services and solutions for the aviation industry, Topcast takes pride in our strong partnerships with our principals, customers, and partners.

We are not just in the business of aircraft parts and maintenance. We bridge geographies, time zones, and cultures to supply solutions that enable global transportation and world commerce. We connect people. Ultimately, we help connect a better world.

YOUR RELIABLE AND ADAPTABLE AVIATION SOLUTIONS PARTNER

We pride ourselves on being a flexible and agile partner, specializing in serving hard-to-reach markets and bridging the eastern and western worlds. With a team of aviation and aerospace experts, we have the passion, knowledge, and insight to offer comprehensive solutions for our customers' specific challenges. Our dedication to excellence and commitment to our clients has made us a trusted and reliable provider of parts distribution and MRO services.

CONNECTING A BETTER WORLD

Our strong global network with sales presence in 24 locations across Asia-Pacific, Americas, Europe, the Middle East and Africa, connecting principals with customers in all segments across over 90 countries.

Our Edge

WE VALUE OUR RELATIONSHIPS

We excel at building relationships, trust and respect with our key stakeholders — Principals and customers.

Go-to-Market Experts

We have a group of business development and product management experts to develop go-to-market strategies to expand our portfolio and optimize pricing mechanisms.

Data & Analytic Driven

As a data-driven organization, Topcast Group pursues big data and business analytics to evaluate market trends, devise actionable insights and predict future focus.

Customer Centric & Excellence

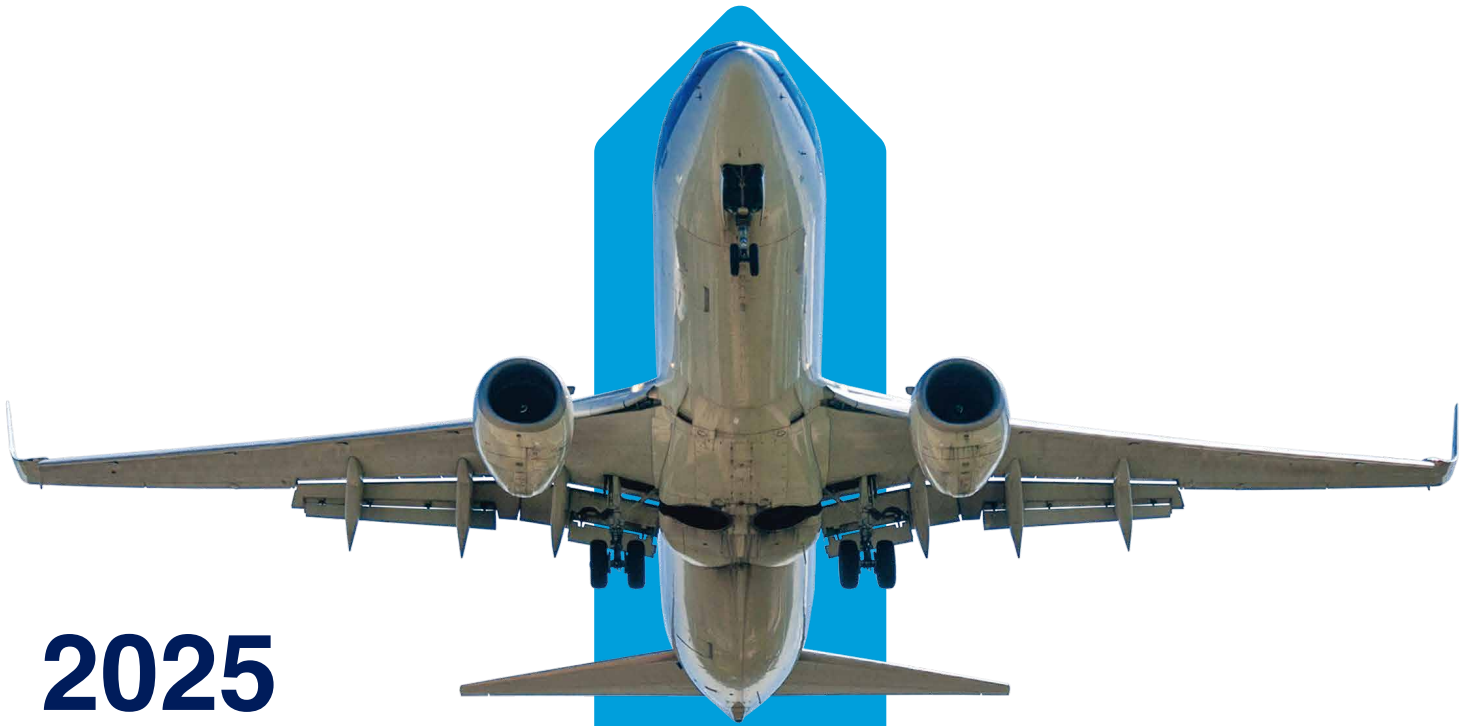

With more than 80 sales and customer service professionals globally, our customer-facing team can provide a full range of support to offer immediate assistance catering your specific or individual needs.

Efficient & Forward Looking Supply Planning

Topcast Group efficiently manages our supply chain for optimum stock levels and bulk purchases for forward looking planning, shorten lead-time and best price. Our on-demand express delivery ensures your needs and keeps your place available for better utilization.

Topcast extended the business to maintenance, repair and overhaul (MRO) service offering FAA-approved repairing service.

Our Brands

BUILDING BLOCKS ON OUR STRENGTHS

Aviation Supplies

Founded in 1991 with the fundamental business idea of trading, Topcast Co. Ltd. was born. With better alignment of the nature of its business in aviation, Topcast Aviation Supplies Co. Ltd. was officially established in 1995 and became a ASA-100 and FAA-AC 00-56B certified industry player.

MRO Services

The commencement of maintenance, repair and overhaul (MRO) services begins since 2005. It is an HKCAD, EASA, FAA & JCAB approved repair shop headquartered in Hong Kong SAR. Our works are admitted by CAAC in China, AACM in Macau SAR, and CAAS in Singapore.

AML Aviation Technologies Co. Ltd.

To expand mainland China's in-country MRO services, Topcast acquired AML Aviation Technologies Co. Ltd., a CAAC and FAA approved aircraft components maintenance company located in Shanghai.

Industrial Supplies

In 1997, the founder diversified the aviation business and extend the distribution business beyond to other industrial materials with a core focus of wires and cables, representing companies in the electrical and power industry.

Aviation Distribution

**AT TOPCAST,
WE LIVE AND
BREATHE AVIATION**

With a comprehensive portfolio of over 50 principals and strategic sourcing lines, Topcast delivers a wide array of aircraft parts and systems from the ATA chapter for your deployment. Let us be a part of your drive and keep your fleet always ready to fly.

1

EVOLUTIONARY OEM NETWORK

Topcast collaborates with well-known industry-leading original equipment manufacturers (OEMs) to provide quality parts and components that meet industrial needs. Agile and timely trading policies and services also give a hand to customers, lifting-up business profiles economically and effectively.

2

PRODUCT EXCELLENCE AND ONE-STOP-SHOP SOLUTION

We gather production elites to provide top-tier aviation products. These professional industrial-grade goods come with diversity and reliability, constructing a comprehensive portfolio in Topcast. Customers are able to have their problems solved efficiently and cost-effectively at this one-stop-shop.

3

CUSTOMER SUCCESS AND AOG SUPPORT

We value customers' enquiries and orders as we see ourselves contributors to your business success. Well-trained representatives and a strong customer support team secure your business needs and services.

WE ARE THE OFFICIAL OEM REPAIR SHOP OF
WORLD-KNOWN BRANDS

1

OEM REPAIR SERVICES EXCELLENCE

Backed by world-class testing systems and mechanisms, Topcast attained official partnerships with major OEM principals to offer economical and responsive solutions with integrated parts and supply chain solutions.

2

ASIA GATEWAY AND GREATER CHINA EXPANSION

With razor-sharp customer and market focus, Topcast is your fleet-footed partner with an uncanny capacity to open a new door for you. We have the down-to-earth representatives in each of the aviation hubs across cities to be your helping hands.

3

IMMEDIATE CUSTOMER SERVICES AND SUPPORT

With over two decades of experiences, we have built a sophisticated customer-centric pipeline to support all our customers' needs. Our Topcast team is committed to adapting quickly to changes and opportunities to ensure our services with excellent value for money.

IN HONG KONG

Topcast offers unrivalled experience in aviation MRO services and technical support to our customers. Our repair station, located in Shatin, Hong Kong headquarters, is certified by HKAR-145, and our practice is admitted by Hong Kong Civil Aviation Department (HKCAD), European Aviation Safety Agency (EASA), Federal Aviation Administration (FAA), The Civil Aviation Administration of China (CAAC), Civil Aviation Authority of Macao SAR (AACM), Directorate General of Civil Aviation of Indonesia (DGCA), Civil Aviation Authority of Singapore (CAAS), and Japan Civil Aviation Bureau (JCAB).

With experienced, well-trained and certified technicians and mechanics on team, we live and breath aviation. Our tightly-knit band of technicians and mechanics can ensure that our deliverables are on and above the par with industry and OEM standards.

IN SHANGHAI

AML Aviation Technologies (AML), located in Shanghai, is a strategic sub brand of Topcast that brings an extension of excellence to mainland China, eye diverse MRO solutions for commercial aircraft.

Eye in the national aviation hub Shanghai, AML is one of the pillars of the MRO service provider that is recognized and certificated by the Civil Aviation Administration of China (CAAC) and Federal Aviation Administration (FAA).

Reliable, superior, and beyond-standard lead time, MRO solutions tailored for customers. Specializing in diverse electronic and mechanical components, we are positioned to seize the opportunities and business potential in the Greater China.
